Re: Ex Parte Meeting
CC Docket 94-102

Dear Ms. Salas:

On July 16, 1998 Carl Hilliard met with John Cimko, Marty Liebman, Ron Netro and Nancy Booker about the above referenced docket. During the meeting Mr. Hilliard reiterated the Alliance's case for increased access to 9-1-1 emergency services via wireless handsets and discussed the Alliance's position on implementation of location technology, strongest signal, and elimination of blocking of cellular calls to 9-1-1 services.
