Re: LMCC Petition for Rulemaking (RM-9267)

July 9 1998

Dear Ms. Salas

We are very much in favor of LMCC Petition for rulemaking. (RM-9267)

We operate a Two-Way Radio business in Western N.D., The Population base in this large rural area does not support coverage of Cellular or PCS systems, Therefore we depend heavily on Private Radio Frequencies for our customers.

Increasing conjestion and extremly long processing time with the Canadian Government along Line A are having a Profound effect with our business.

Please Proceed quickly with this Petition

THANK YOU
