98-120

Suzanne Carpenter (scarpenter@inficad.com) writes:

I find it incredible that you would take even the slightest risk of losing one of the few worthwhile parts of television--C-Span.

The proposed "must carry" rule is ludicrous!!!

Don't even consider it. There is so much garbage on television--surely no reasonable, thinking person could remove a valuable, informative channel in order to replace it with the insipid pap that is on most other networks!
