**Re: Notice of Ex Parte Communication;
PR Docket No. 92-235**

Dear Ms. Salas:

On September 14, 1998, counsel for the American Automobile Association ("AAA") contacted D'wana Terry, Chief of the FCC's Public Safety and Private Wireless Division of the Wireless Telecommunications Bureau regarding AAA's Petition for Reconsideration in the private radio "refarming" proceeding, PR Docket No. 92-235. Specifically, Michele Farquhar of Hogan & Hartson left a telephone message for Ms. Terry, updating her on AAA's current and upcoming efforts to work with the Land Mobile Communications Council ("LMCC") and other frequency coordinators to resolve AAA's ongoing interference concerns in this proceeding.

Two copies of this letter are provided in accordance with the Commission's rules. Please date-stamp and return a copy of this letter. Please refer any questions regarding this matter to me at (202) 637-5600.

Respectfully submitted,

Michele C. Farquhar
Counsel for AAA

cc: D'wana Terry
