Dear Mr. Kennard,

I urge you to do all you can to block the merger of SBC/PacBell with Ameritech.

This merger will create a huge monopoly over up to 40% of the nation's local phone lines. Monopoly control leads to higher prices for consumers like me. I am also concerned that it will lead to poor service.

Please say NO to this merger and YES to real competition.

*Mergers like this are an outrage and a Sincerely, mockery of antitrust law,*

P.S. Why was AT+T split up in the first place? Is this just one more

example of business as usual in the good old USA?
