COMMENTS

Barbara J. Geesman Chase herewith submits her comments with respect to the Notice of Proposed Rule Making released in the above-captioned proceeding on August 14, 1998.

Ms. Geesman states her intention to apply a construction permit for the allotment if the FM Table of Allotments is amended to include Channel 228A, Royal City, Washington. Upon grant of such a construction permit, she will promptly build the station's facilities.

As the Commission stated, "Channel 228A can be allotted to Royal City in compliance with the Commission's minimum distance separation requirements"¹ and "could provide the community with an additional local FM transmission service."²
