Re: **Meeting with FCC Officials**
In the Matter of Amendment of Part 90 of the Commission's Rules to Adopt
Regulation for Automatic Vehicle Monitoring Systems, PR Docket No. 93-61

Dear Ms. Salas:

On September 29, 1998 David Quam and I, on behalf of Hennepin County, Minnesota, met with officials from the FCC regarding the above-captioned matter. Attending the meeting were Dan Phythyon, Chief, Wireless Telecommunications Bureau, Kathleen O'Brien Ham, Acting Deputy Chief, Wireless Telecommunications Bureau, Ken Burnley, Attorney Advisor, Auction and Industry Analysis Division, David Krech, Commercial Wireless Bureau, and Julie Buchanan, Legal Advisor to the Division Chief of the Auction and Industry Analysis Division. During that meeting we discussed Hennepin County's pending Petition for Reconsideration. No new data or arguments were presented in support of Hennepin County's position other than those set forth in the written Petition.

This letter is being filed on behalf of Hennepin County in order to comply with the regulations at 47 CFR, Chapter 1, Section 1.1206 (b)2.

Sincerely,

Kelly Cameron
