Re: CC Docket No. 96-128

Dear Ms. Salas:

On Thursday, October 1, 1998, Albert Kramer and Robert Aldrich of this law firm (representing the American Public Communications Council ("APCC")), met with Larry Strickling, Deputy Chief of the Common Carrier Bureau, Glenn Reynolds, Assistant Chief of the Bureau's Enforcement Division, Greg Lipscomb of the Enforcement Division, and Craig Stroup of the Bureau's Industry Analysis Division.

We urged the Commission to act expeditiously on the compensation issues pending on remand from the Court of Appeals.

We also discussed separately with Greg Lipscomb and Craig Stroup APCC's concerns about the operation of the compensation system. Compensation for interexchange calls should be paid by the interexchange carrier with the carrier identification code ("CIC") to which a call is routed by a local exchange carrier.

Sincerely yours,

Robert F. Aldrich / by
