Dear Commission:

We are writing in objection to the possible deletion of superstations and network programs that we receive over our Direct TV satellite system.

We own 2 very nice rental homes on the outer banks of North Carolina which is on the Atlantic Ocean. Due to the prominent winds here at the beach, it is impossible to install an outdoor antenna to receive the network stations. No one has an exterior antenna in our area or if they do try one, it is blown down within a short period of time.

PLEASE DO NOT TAKE THESE STATION AWAY FROM US AND THE OTHERS HERE ON THE OUTER BANKS.

Sincerely,

Bill and Liz Chudoba

PS - The rental homes are in Corolla, NC
Billing comes to the above address
