Re: *Applications of Comcast Corporation, Time Warner Cable Inc., Charter Communications, Inc. and Spinco to Assign and Transfer Control of FCC Licenses and Other Authorizations, MB Docket No. 14-57*

This letter is in reference to the *Reply Comments of the International Center for Law & Economics & Professors and Scholars of Antitrust and Telecommunications Law and Economics*, filed last night during the reply phase in the above-captioned matter. In filing the document, we inadvertently omitted the names of two professors who should have been included as signatories to the filing. I am attaching to this letter an amended version of the Reply Comment and its Appendix, identical in every respect to the original except for the addition of the two names. I would appreciate it if you can replace the previously filed document with this one, or otherwise ensure that this this version is included in the reply phase of the proceeding.

Please feel free to contact me if you have any questions. Thank you very much for your assistance.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'G. Manne', with a long horizontal flourish extending to the right.

Geoffrey A. Manne
