Re: *Special Access for Price Cap Local Exchange Carriers, WC Docket No. 05-25*

Dear Ms. Dortch,

On September 25, 2014, I spoke with Deena Shetler, Matt DelNero, and Pam Arluk of the Wireline Competition Bureau, following up from a meeting on September 23. Given the long-outstanding arguments in this proceeding concerning unjust and unreasonable terms and conditions imposed by the incumbent LECs that effectively lock-up competitors for special access services, COMPTTEL supports the initiation of a tariff investigation that could potentially address these terms in a comprehensive manner. I stressed the fact that we would like for the staff to expeditiously begin and complete any investigation.

Please do not hesitate to contact me if you have any questions.

Respectfully Submitted,

/s/ Angie Kronenberg
