Re: Notice of *Ex Parte* Presentation – Dockets Docket 10-236, 13-84, and 13-259

Dear Ms. Dortch:

On October 6 I met with Brendan Carr and on October 7 I met with Renee Gregory, Louis Peraetz, Julius Knapp, John Leibovitz, Brian Regan, and Michael Ha to discuss the above dockets. The attached presentation shows what was discussed. I am also sending the attachments to David Goldman with whom I did not meet.

In the interest of transparency, I am also enclosing a recent blog post of mine that touches on these dockets.

A copy of this notice and attachment is being emailed to the Federal Communications Commission staff identified below.

Sincerely,

/S/

Michael J. Marcus, Sc.D., F-IEEE
Director
