Attention: Chief Administrative Law Judge Richard L. Sippel

ENL-VSL Proposed Discovery Schedule
Additional Comments of Havens

Environmental LLC (“ENL”) and Verde Systems LLC (“VSL”) (together “ENL-VSL”), through their undersigned counsel, submitted today their Proposed Discovery Schedule pursuant to the October 1, 2014 scheduling Order, FCC 14M-30. Mr. Havens joined in that filing. Mr. Havens submits these additional comments in accord.

1. Where the EVH filing EVH uses the phrase “issues (a)-(f)/(h)-(i),” Havens also means by that phrase the related determinations under the HDO’s following three paragraphs, ¶¶ 63-65 (together, those are sometimes called the “Issues” in the EVH filing).

2. Any indication in the EVH filing that Maritime at any time had stations that were constructed and in operation is not an admission of that, but argues based on that position that Maritime has asserted.

Respectfully submitted,

 /s/
Warren Havens
