Internet Speeds listed are maximum attainable speeds. Actual speeds may vary depending on factors including network traffic, customer equipment and more. For prices and additional details see www.atmc.com. When prompted, choose Columbus County as your area of service. Prices, packaging and programming subject to change. Some services may not be available in all areas. Should there be a power outage, IP Digital Phone service, including access to 911 services, may not be available. Additional charges apply for international calls, multiparty conference calls, calls to 900 numbers, directory assistance, calling card, operator services, international calling and toll free calling. Some restrictions may apply.
