I am profoundly speech impaired, and I live in Weld county, CO. It's imperative, that text-911 be mandated to all PSAP's. This will provide Universal Access, to all. This can include, those who are in domestic violence relationship's, or active shooter event's, or when an intruder in in the home, speech impaired, Deaf, hard of hearing. TTY's have fallen way side to the new technologies, such as Smart Phone's.
