Re: Ex Parte Email Regarding GN Docket No. 12-268: Expanding the Economic and Innovation Opportunities of Spectrum Through Incentive Auctions

Dear Ms. Dortch:

The LPTV Spectrum Rights Coalition, (the "LPTV Coalition"), submitted an email to members of the Spectrum Auction Task Force in support of the NAB request for

"...a limited extension of the comment deadline established by the Media Bureau for submitting comments on a draft TV Broadcaster Relocation Fund Reimbursement Form.² Comments are currently due by October 27, 2014. Pursuant to Section 1.46 of the Commission's rules,³ NAB requests a 30-day extension of the deadline, such that comments would be due by November 26, 2014. A limited extension of time is in the public interest to allow interested parties the time necessary to address the issues on which the Bureau seeks comment."

We do this because there are a significant number of Class-A auction eligible licensees that are still reviewing their potential participation vs. the cost of relocation in case they do not win their bids.

Respectfully submitted,

Mike Gravino, Director
LPTV Spectrum Rights Coalition
