Honorable Thomas Wheeler, Chairman
Federal Communications Commission

Re: In the matter of applications of AT&T, Inc. and Direct TV to transfer control of FCC
licenses and other authorizations
MB Docket No. 14-90

Dear Chairman Wheeler:

I write to you in support of the proposed merger of AT&T and Direct TV. Many Maine people in underserved rural areas, as many as 124,000, will gain access to high speed internet and the economic benefits it can confer. For this reason, I urge the Commission to favorably consider this proposal.

Sincerely,
