Dear Ms. Dortch:

On September 10-12, 2014, the Federal Communications Commission co-hosted workshop on "Regulating the Evolving Broadband Infrastructure" with the University of Nebraska College of Law and the American Enterprise Institute.¹ The purpose of the event was to afford FCC staff the opportunity to learn about current academic research. It included a public plenary session on Wednesday, Sept. 10 and non-public presentations and discussions on Thursday and Friday, Sept. 11 and 12. I have made an ex parte filing to put the video of the public session, along with abstracts and papers, into the record of relevant proceedings and several presenters have made their own ex parte filings: Christopher Yoo, Professor of Law at
