Miracle City Academy by and through it's E-Rate Consultant KMM Consulting
REQUESTS A WAIVER OF THE FILING WINDOW DEADLINE.

On the night of the deadline several attempts were made to file Form 471. Due to the volume of filings on the night of the deadline resulting in the website freezing and an incorrect spin# the 471 could not be completed and submitted in the window. I am therefore requesting a waiver of the filing window deadline.
