Dear Ms. Dortch:

Blessed Sacrament School (“Blessed Sacrament” or “School”), acting through counsel and pursuant to Sections 54.719-54.721 of the Commission’s rules<sup>1</sup>, hereby timely files this Request for Review or Waiver (“Appeal”). The Appeal requests Commission review of the adverse decisions of the Administrator of the Universal Service Administrative Company (“USAC”) seeking to rescind previously-approved and recover previously-disbursed E-Rate Program support funds for Funding Year 2012.<sup>2</sup>

More specifically, on May 13, 2014, USAC’s Schools and Libraries Division (“SLD”) issued the COMADs, asserting that the School had failed (a) to retain and make available to USAC certain records relating to the competitive bidding process for the referenced FCC Form 471 applications

<sup>1</sup> 47 C.F.R. §§ 54.719-54.721. Blessed Sacrament was a K-12 elementary school which was one of the Catholic schools in the Archdiocese of New York. Blessed Sacrament was permanently closed by the Archdiocese for financial and other reasons in June of 2013.

<sup>2</sup> The relevant Notification of Commitment Adjustment Letters, each dated May 13, 2014, are attached at Exhibit 1 (“COMADs”). This Appeal is timely filed within sixty (60) days of the date of the COMADs, which, under the Commission’s rules, would be July 12, 2014, a Saturday, thereby permitting filing by Monday, July 14, 2014.

Ms. Marlene H. Dortch

and (b) to respond to a request for information from a potential bidder (with respect solely to FRN 2350065). Therefore, USAC proposes to rescind E-Rate commitments provided pursuant to the referenced FRNs and seeks recovery in full of the funds disbursed.

Blessed Sacrament is aggrieved by the COMADs and the Archdiocese has only recently engaged the undersigned counsel to assist in this matter. Therefore, this Appeal is being timely submitted and the Archdiocese reserves the right to supplement the same with a full discussion of the facts, the School's position and supporting arguments.

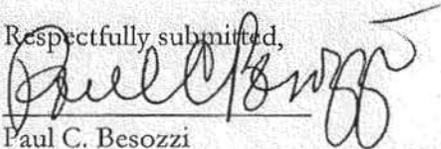

The School intended in good faith to conduct a fair and open competitive bidding process, seeking always to adhere to the relevant FCC rules, including the consideration of all bids submitted. Blessed Sacrament respectfully believes that the relevant FCC Form 470 seeking Basic Maintenance Of Internal Connections services provided a reasonably sufficient description under the Commission's rules on which bids could be submitted.

Even if there was a technical violation of the Commission's rules relating to the document retention or competitive bidding process, there is no evidence of any waste, fraud and abuse or deliberate attempt to circumvent the Commission's rules. The E-Rate support approved and disbursed was used for the purpose for which it was approved. Further, the requirement to reimburse the requested funds would be a financial hardship on Blessed Sacrament, which qualified at the 90% discount rate. There is no evidence that the School acted other than in good faith. The Archdiocese respectfully submits that requiring repayment would not further the purpose of preserving and advancing access to universal service support. Under the circumstances, a waiver of any technical rule violation is appropriate and as a result the COMADs should be rescinded.

Finally, as previously noted, Blessed Sacrament was closed by the Archdiocese in June of 2013 for financial and other reasons so that there is no longer any existing operating applicant from which to recover any amounts disbursed.

Again, the Archdiocese reserves the right to supplement this Appeal with a full discussion of the facts, the School's position and further supporting arguments.

Respectfully submitted,

Paul C. Besozzi

Our routine review of Schools and Libraries Program (Program) funding commitments has revealed certain applications where funds were committed in violation of Program rules.

In order to be sure that no funds are used in violation of Program rules, the Universal Service Administrative Company (USAC) must now adjust your overall funding commitment. The purpose of this letter is to make the required adjustments to your funding commitment, and to give you an opportunity to appeal this decision. USAC has determined the applicant is responsible for all or some of the violations. Therefore, the applicant is responsible to repay all or some of the funds disbursed in error (if any).

This is NOT a bill. If recovery of disbursed funds is required, the next step in the recovery process is for USAC to issue you a Demand Payment Letter. The balance of the debt will be due within 30 days of that letter. Failure to pay the debt within 30 days from the date of the Demand Payment Letter could result in interest, late payment fees, administrative charges and implementation of the "Red Light Rule." The FCC's Red Light Rule requires USAC to dismiss pending FCC Form 471 applications if the entity responsible for paying the outstanding debt has not paid the debt, or otherwise made satisfactory arrangements to pay the debt within 30 days of the notice provided by USAC. For more information on the Red Light Rule, please see "Red Light Frequently Asked Questions (FAQs)" posted on the FCC website at [http://www.fcc.gov/debt\\_collection/faq.html](http://www.fcc.gov/debt_collection/faq.html).

TO APPEAL THIS DECISION:

You have the option of filing an appeal with USAC or directly with the Federal Communications Commission (FCC).

If you wish to appeal the Commitment Adjustment Decision indicated in this letter to USAC your appeal must be received or postmarked within 60 days of the date of this letter. Failure to meet this requirement will result in automatic dismissal of your appeal. In your letter of appeal:

1. Include the name, address, telephone number, fax number, and email address (if available) for the person who can most readily discuss this appeal with us.
2. State outright that your letter is an appeal. Identify the date of the Notification of Commitment Adjustment Letter and the Funding Request Number(s) (FRN) you are appealing. Your letter of appeal must include the
  - Billed Entity Name,
  - Form 471 Application Number,
  - Billed Entity Number, and
  - FCC Registration Number (FCC RN) from the top of your letter.
3. When explaining your appeal, copy the language or text from the Notification of Commitment Adjustment Letter that is the subject of your appeal to allow USAC to more readily understand your appeal and respond appropriately. Please keep your letter to the point, and provide documentation to support your appeal. Be sure to keep a copy of your entire appeal including any correspondence and documentation.
4. If you are an applicant, please provide a copy of your appeal to the service provider(s) affected by USAC's decision. If you are a service provider, please provide a copy of your appeal to the applicant(s) affected by USAC's decision.

FUNDING COMMITMENT ADJUSTMENT REPORT

On the pages following this letter, we have provided a Funding Commitment Adjustment Report (Report) for the Form 471 application cited above. The enclosed Report includes the Funding Request Number(s) from your application for which adjustments are necessary. See the "Guide to USAC Letter Reports" posted at <http://usac.org/sl/tools/reference/guide-usac-letter-reports.aspx> for more information on each of the fields in the Report. USAC is also sending this information to your service provider(s) for informational purposes. If USAC has determined the service provider is also responsible for any rule violation on the FRN(s), a separate letter will be sent to the service provider detailing the necessary service provider action.

---

Note that if the Funds Disbursed to Date amount is less than the Adjusted Funding Commitment amount, USAC will continue to process properly filed invoices up to the Adjusted Funding Commitment amount. Review the Funding Commitment Adjustment Explanation in the attached Report for an explanation of the reduction to the commitment(s). Please ensure that any invoices that you or your service provider(s) submits to USAC are consistent with Program rules as indicated in the Funding Commitment Adjustment Explanation. If the Funds Disbursed to Date amount exceeds your Adjusted Funding Commitment amount, USAC will have to recover some or all of the disbursed funds. The Report explains the exact amount (if any) the applicant is responsible for repaying.

After multiple requests for documentation, it has been determined that this funding commitment must be rescinded in full. The applicant failed to produce at the request of the Administrator the following documentation pertaining to its competitive bidding process: copies of bids received and documentation to support the vendor evaluation and selection process. FCC rules require schools and libraries as well as service providers to retain all documents related to the application for, receipt, and delivery of discounted telecommunications and other supported services for at least five years after the last day of service delivered in a particular Funding Year and to produce such records upon a request of an auditor or other authorized representative. FCC rules further provide that a non-compliance with the FCC's recordkeeping and auditing rules by failure to retain records or to make available required documentation is a rule violation that warrants recovery of any disbursed funds for the time period for which the information/documentation is being sought. Since you failed to produce the above specified documentation upon request of an authorized representative, your compliance with competitive bidding requirements could not be determined. As a result, your funding commitment has been rescinded in full and USAC will seek recovery of any improperly disbursed funds from the applicant.

Funds to be Recovered from Applicant:	\$15,075.07
Funding Commitment Adjustment Explanation:	

After multiple requests for documentation, it has been determined that this funding commitment must be rescinded in full. The applicant failed to produce at the request of the Administrator the following documentation pertaining to its competitive bidding process: copies of bids received and documentation to support the vendor evaluation and selection process. FCC rules require schools and libraries as well as service providers to retain all documents related to the application for, receipt, and delivery of discounted telecommunications and other supported services for at least five years after the last day of service delivered in a particular Funding Year and to produce such records upon a request of an auditor or other authorized representative. FCC rules further provide that a non-compliance with the FCCs recordkeeping and auditing rules by failure to retain records or to make available required documentation is a rule violation that warrants recovery of any disbursed funds for the time period for which the information/documentation is being sought. Since you failed to produce the above specified documentation upon request of an authorized representative, your compliance with competitive bidding requirements could not be determined. As a result, your funding commitment has been rescinded in full and USAC will seek recovery of \$15,075.07 from the applicant.

Additionally, USAC received information showing that a potential bidder contacted you within the 28 day bidding window seeking information about your Basic Maintenance of Internal Connections (BMIC) requirements. Documentation provided during review indicates you did not respond to the potential bidder with the information sought. It has been determined that the maintenance services as requested on FCC Form 470# 829420000999473 contains maintenance service descriptions which are insufficiently detailed to allow prospective bidders to provide a bid responsive to the maintenance services which were subsequently requested by the school in FRN 2350065. Since you did not respond with the information sought by the service provider and since the provider would not have been able to provide a responsive bid without the additional information, a fair and open competitive bidding process was inhibited. Since you posted FCC Form 470# 829420000999473, which included a request for BMIC, you are obligated to receive and assess all bids and to provide potential service providers with requested information so that they may provide responsive bids. The competitive bidding process is not fair and open, as required by FCC Rules, when you discourage potential bidders from submitting a bid in response to the services requested on the FCC Form 470. Therefore, the applicant has violated the competitive bidding program rules and your funding commitment will be rescinded in full. USAC will seek recovery of any disbursed funds from the applicant.

## Local Boards And Reconfiguration Committees Issue Final Decisions

January 22, 2013

FOR IMMEDIATE RELEASE: January 22, 2013

### LOCAL BOARDS AND RECONFIGURATION COMMITTEES ISSUE FINAL DECISIONS FOR AT-RISK CATHOLIC ELEMENTARY SCHOOLS

(New York, January 22, 2013) Local Boards and ad hoc Reconfiguration Committees, after in-depth discussions with local pastors, principals, administrators and elected officials, and in consultation with the Archdiocese of New York, collectively have recommended closing 22 elementary schools in June 2013.

Of the 26 at-risk elementary schools announced two months ago, four will remain open, and decisions about two additional schools on Staten Island have been deferred for several weeks to evaluate the impact of Hurricane Sandy on the region. The local boards' and committees' recommendations were accepted by the Archdiocese of New York.

The decision to close the at-risk schools follows a painstaking, months-long review involving local decision-makers in accordance with Pathways to Excellence, the strategic plan for Catholic schools that was published in October 2010 and developed to assure a vibrant future for Catholic education in the Archdiocese of New York. This review included all relevant data, including enrollment, financial, academic and local demographics, to ensure the Board's and Committee's decisions would result in financially healthy, sustainable schools. Throughout the review process, pastors and principals of the at-risk schools were invited to meet with members of the local Board or Reconfiguration Committee to discuss the combination of factors that led to the decision to list a school as "at-risk," and offered an opportunity to submit an alternative proposal to remain viable.

Affected families will be welcomed in neighboring Catholic schools, and every effort will be made to assist those who are facing financial challenges making the transition. Student Placement Counselors will work with Regional Superintendents to help school families transition into another Catholic school for the 2013-2014 school year. Informational meetings for affected families will be announced in the coming weeks.

The following schools will close in June 2013, at the end of the current academic year:

#### Manhattan:

Annunciation  
Holy Cross  
Holy Name of Jesus  
St. James-St. Joseph  
St. Jude

#### Northwest and South Bronx:

Holy Spirit  
Our Lady of Angels  
Our Lady of Mercy  
St. Jerome

#### East and Northeast Bronx:

Blessed Sacrament  
St. Anthony  
St. Mary Star of the Sea

#### Central Westchester:

Holy Name of Jesus, Valhalla  
Our Lady of Fatima, Scarsdale  
St. Casimir, Yonkers

#### Northern Westchester/Putnam:

Our Lady of the Assumption, Peekskill  
St. Theresa, Briarcliff Manor

#### Dutchess:

St. Joseph, Millbrook

#### Rockland:

St. Augustine, New City  
St. Peter, Haverstraw

#### Ulster, Orange, Sullivan:

St. Joseph, Kingston  
St. Mary of the Snow, Saugerties

The number of students at the elementary schools announced for closure today is 4,341, which represents almost 9 percent of those enrolled in Catholic elementary schools in the boroughs of Manhattan, the Bronx and Staten Island, and Westchester, Rockland, Putnam, Sullivan, Orange, Dutchess and Ulster counties.

The committees have acknowledged that four schools originally designated as "at-risk" submitted proposals that included viable long-term plans and will remain open. They are: St. Gregory the Great in Manhattan, St. Mary School in East and Northeast Bronx, Sacred Heart in Newburgh, Orange County and Regina Coeli in Hyde Park, Dutchess County.

In addition to the 22 elementary schools, two secondary schools will close. After a review of current and projected deficits and continuing declines in enrollment, and in consultation with the archdiocese, school leadership has determined that St. Agnes Boys High School in Manhattan and Blessed Sacrament/St. Gabriel High School in New Rochelle are not sustainable, and will close. The number of affected secondary school students is 424, out of 24,830 currently enrolled across the archdiocese.

Timothy McNiff, Superintendent of Schools for the Archdiocese of New York stated, "As we move forward, we urge Governor Cuomo and the legislature to enact the Education Investment Incentives Act. This initiative, similar to those already enacted into law in 11 other states, would spur additional corporate and individual donations into education, generating \$150 million in additional scholarships for families to enroll their children in Catholic and other religious and independent schools. Moreover, the legislation would generate an equal level of additional contributions to public schools."

Timothy Cardinal Dolan, Archbishop of New York added, "The Archdiocese is not alone in facing financial challenges in education—we share these issues with public, private and other faith-based schools across the country. This reconfiguration process will help ensure that our schools will be financially stable, sustainable and, more importantly, open to all students. We are dedicated to providing pastoral support and educational guidance to every family personally affected by reconfiguration to ensure all children attending closing schools will be warmly welcomed into a neighboring Catholic school where they will continue to learn and thrive."
