COMMENTS IN SUPPORT OF PETITION FOR RULEMAKING

Chris Samples Broadcasting, Inc. ("Samples"), by its attorney, hereby submits its comments in support of the above-referenced rulemaking. Samples has pending an application (File No. BPH-20140519AHY) to one-step upgrade Station KXDJ from Channel 252C2 to Channel 252C1 to provide enhanced service to its current community of license. Specifically, the pending application proposes that simultaneously with the grant of the channel change proposed herein, Station KXDJ (currently on Channel 252C2, Spearman, Texas) be issued a construction permit to allow it to move its channel of operation at Spearman, Texas to Channel 252C1 at Spearman, Texas once that upgrade of the channel becomes available as a result of this proceeding.

Samples expeditiously will implement that upgrade upon grant of this rulemaking. Grant of this proposal will permit KXDJ immediately to provide enhanced service to the community of Spearman.

Respectfully submitted,

**CHRIS SAMPLES BROADCASTING,
INC.**
