Re: Modernizing the E-Rate Program for Schools and Libraries, WC Docket No. 13-184

Dear Ms. Dortch:

On October 27th, 2014, Evan Marwell, Ben Kutler, Tiffany Zhou of EducationSuperHighway and Jim Kohlenberger of JK Strategies met with Lisa Hone, Jonathan Chambers, Allison Baker, and Craig Stroup via conference call. In the meeting, we explained our analysis of potential policy options to lower the ongoing cost of providing broadband E-rate recipients, using the EducationSuperHighway/CoSN Connectivity Cost Model (previously presented) as a baseline. A copy of our analysis is attached.

Kindly direct any questions regarding this matter to my attention.

Sincerely,

/s/ Evan Marwell
