Re: Docket No. 12-268

Dear Ms. Dortch:

(I am a performing artist(Sax and Vocals)who uses wireless mics and monitors.)

(I agree with Sennheiser's proposal to reserve two exclusive blocks of UHF for critical mics & ear monitors. I need reliable prime frequencies for your productions.)

(I agree with Sennheiser's proposal for auction winners to compensate wireless mic owners for any equipment that they will not be able to use after spectrum repacking.I have recently bought a new system of which I would expect to get 10 years from.)

Respectfully submitted,

Jimmy Gallagher
