Re: GN Dockets No. 13-5 and 12-353; RM-11358

Dear Ms. Dortch

On October 31, 2014 the undersigned spoke with Matt DelNero, Deputy Chief of the Wireline Competition Bureau, concerning the points outlined in COMPTEL's June 27 2014 letter to the FCC.¹

I stated that the FCC needs to be clear that it will not permit large incumbents to use technology transitions as basis for reducing last-mile options or forcing cost increases on rivals and their customers. This discussion was consistent with COMPTEL's prior filing on June 27, 2014.²

Respectfully submitted,
/s/ Angie Kronenberg
