***Re: WC Docket No. 12-375, Pay Tel Petition for Extension of Waiver***

Dear Ms. Dortch:

On November 5, 2014, Vincent Townsend, President of Pay Tel Communications, Inc. ("Pay Tel"), Marcus W. Trathen of Brooks, Pierce, McLendon, Humphrey & Leonard, LLP, and Don J. Wood of Wood & Wood (by telephone) met with Pam Arluk (by telephone), Lynne Engledow, Rhonda Lien (by telephone), David Zesiger and Don Sussman (by telephone) of the Wireline Competition Bureau to discuss Pay Tel's Petition for Extension of Waiver filed October 31, 2014, in the above-referenced proceeding. Pay Tel discussed the basis for its filing as set forth in its Petition and, in particular, that under the FCC's interim rate caps Pay Tel is unable to recover its total company costs because of the existence of below cost rate caps imposed by state public service commissions and facility contractual requirements. Pay Tel sought direction from staff on any additional information that might be required arising from staff's review of the Petition.

Please do not hesitate to contact the undersigned should any questions arise concerning this notice.

Sincerely yours,

/s/ Marcus W. Trathen
