How can you let these fart juggling queef smearers slow internet speeds for me? what the fuckle, you tits! get off your lazy ass asses and shut these cockbags up with a political chris brown uppercut to these monopolies once and for all! Christ! I hope god lowers his holy dairy aire upon your minds and lets loose a liquidy, satisfying SHIT upon both the FCC, COMCAST, Time Warners, and all the employees and heads of the companies who want to manipulate the internet to their fecal matter covered ways. fuck off once and for all, you infected urethras.
