<sup>\*</sup>Download and upload speeds are not guaranteed and may vary. Service is available to residential customers only and not available in all areas. <sup>†</sup>The data customers send and receive each month will contribute to monthly data usage. Speeds and usage allowances remain subject to change. Greater usage will result in additional charges of \$10, excluding taxes and fees, for every increment of up to 50 additional Gigabytes used. For example, if usage exceeds the allowance by 51 Gigabytes, an additional charge of \$20 will result. Usage cannot exceed that of a typical residential customer and must conform to the requirements of the Mediacom Residential Customer & User Agreement and Mediacom's Acceptable Use Policy. Usage allowances are subject to change by Mediacom at any time. Refer to the [Additional Terms and Conditions](#) for complete details of the usage allowance.
