# Frontier Communications

## Petition:

By signing this document, I hereby petition Frontier Communications to provide High Speed Internet Service to the community of RED SULPHUR SPRINGS, MONROE COUNTY, WEST VIRGINIA. I further request that this upgrade be performed as soon as possible to prevent further hardship due to forced dependence upon other non-satisfactory Internet providers.

[The following section contains numerous lines of text, each consisting of a handwritten signature or initial followed by a redacted name. The redactions are represented by blacked-out areas.]
