MOTION TO ACCEPT LATE-FILED CERTIFICATION PAGE

TV Service, Inc. (“TVS”), by counsel, requests that the Commission accept the attached correction to its Reply to Census Block Challenge (“Reply”), which was timely filed on November 10, 2014. Due to a clerical error, the original filing did not contain the initialed Accuracy and Due Diligence Certification within FCC Form 505. We now provide the entire Reply, revised to include the missing page.

Because the error was clerical in nature and is being promptly corrected, we submit that it is in the public interest to accept the correction and to associate the certification page with the timely-filed Reply.

Respectfully submitted,

TV SERVICE, INC.
