***Re: Protecting and Promoting the Open Internet; Framework for Broadband Internet Services; GN Docket No. 14-28; GN Docket No. 10-127***

Dear Ms. Dortch:

On November 7, 2014, Bob Quinn and I, on behalf of AT&T, met with the Commission's General Counsel, Jon Sallet, and Stephanie Weiner of the Office of General Counsel. During the meeting, we discussed the above-referenced proceedings.

In particular, we discussed so-called "hybrid" legal theories for protecting and promoting the Open Internet. We explained that any reliance on Title II would be problematic from a legal and policy perspective.

Pursuant to section 1.1206 of the Commission's rules, this letter is being filed electronically with your office for inclusion in the public record of the above referenced proceeding. If you have any questions or need additional information, please do not hesitate to contact me.

Sincerely,

Henry G. Hultquist
