Chanel 3.10 does not deserve to be off the air. It fulfills an important service to the community that the other big networks in the litigation ignore. Fcc has an obligation to protect in the interest of the public small community based channels from the monopoly of big Networks. Fcc should do all in its power to let channel 3.10 to remain in the air permanently. Fcc has a mandate to make sure that all communities are equally served.  
Sincerely,
