I'm writing to you in the hopes of keeping MeTV channel 503 on Verizon on the air. It is one of the few stations that has good, clean, and family oriented Tv shows on it. I was very pleased when it showed up on the air. When I can't find anything else on Tv I can always count on this station to have something good to watch. I really enjoy being able to watch programing from when I was a kid. Both my parents and I love this station. When I am babysitting I can watch MeTV and never have to worry about the child in my care viewing something in appropriate. Taking this station off the air would be doing a disservice to the people of New Jersey. Thank you for your time and consideration in this manner.

Sincerely,

Kimberly Buckland
