RE: Relay Service Providers' Compliance Forum Formation

Dear Greg:

Compliance representatives from all six Telecommunications Relay Service Fund eligible providers met yesterday to inaugurate a relay service providers' Compliance Forum. The Forum is organized as an ongoing informal venue to address compliance-related information among those individuals who assume compliance responsibilities for the respective providers, and to periodically raise matters of broad interest with the Commission.

The group plans to invite the Commission to participate in Forum meetings periodically and otherwise brief you on developments. For now, we simply wished to advise you of the Forum's organizational meeting, as a follow up to Mr. Strecker's previous communications.

Sincerely,

for the Compliance Forum
