Dear Sirs:

Shame on you, caving in to CBS! MeTV is quality programming that I can watch with my entire family. I am a 42 year old mother of four and we enjoy watching MeTV. I can remember when there used to be a family hour on television. NOT ANYMORE! When MeTV SHOWED up on FIOS channel 503 (QUEENS, NY) I was thrilled! I LOVE THAT IT IS RIGHT IN BETWEEN NETWORK TELEVISION!! I always change the channel and find myself tuning into MeTV. I am sick of the R Rated smut that is being passed off as good TV. LEAVE MeTV WHERE IT IS ON CHANNEL 503!

Sincerely,

Liz Corrigan
