Re: **Response of Charter Communications, Inc. to Connect America Phase II Challenges, in WC Docket Nos. 10-90, 14-93**

Dear Ms. Dortch:

On behalf of Charter Communications, Inc. ("Charter"), enclosed please find a corrected disk containing Charter's November 10, 2014 Response to the served-to-unserved challenges filed in this proceeding by CenturyLink, Inc. ("CenturyLink"), Windstream Communications ("Windstream"); FairPoint Communications, Inc. ("FairPoint"); and Consolidated Communications of Texas ("CCI") ("Response").

On November 10, 2014, Charter submitted electronically all public materials in support of Charter's Response through the Commission's Electronic Comment Filing System ("ECFS"), and hand-delivered to the Commission a disk containing the one non-public, confidential exhibit, as well as several of the public filings and exhibits. Although Charter intended for the convenience of the Commission to include on the disk hand-delivered to the Commission on November 10, 2014 all public filings submitted through ECFS in addition to the confidential exhibit (so that Charter's entire Response would be conveniently accessible in one location), the disk hand-delivered to the Commission inadvertently omitted Charter's Form 505s and two of the exhibits, each of which Charter filed publicly via ECFS on the same day.

Accordingly, the enclosed corrected disk contains the complete Response filed by Charter on Nov. 10, 2014. All materials on the enclosed disk are identical to those previously filed, with the exception that Charter's two Form 505s, which Charter filed on November 10 in PDF format so that they would be readable via ECFS, are also included herein in native Microsoft Excel format. As noted in Charter's cover letter accompanying the November 10, 2014 hand delivery, Charter seeks confidential treatment with respect to one of the exhibits (Appendix 505-2(A)).
