Re: Petition for Leave to Amend

Dear Ms. Dortch:

The LPTV Spectrum Rights Coalition, (the "Coalition"), pleads for leave to amend its Petition for Reconsideration in GN Docket No. 12-268: Expanding the Economic and Innovation Opportunities of Spectrum Through Incentive Auctions.

We make this pleading because of the following:

1. There are new facts which relate to the Proceedings which have been discovered since the last opportunity to present such matters to the Commission; and,
2. These facts were unknown to us since the last opportunity to present them to the Commission, and which we could not have known through the exercise of ordinary diligence prior to the last opportunity to present such matters to the Commission

We request, that if the Commission does not accept our supplement as part of our Reconsideration Petition, that it should be entered into the record as an ex parte presentation.

Respectfully submitted,

Mike Gravino, Director
LPTV Spectrum Rights Coalition
