Health Care Provider (HCP) Number: 35981

HCP Name: California Medical Facility

FCC Form 460 Application Number: 35981-00001

The Rural Health Care (RHC) division of the Universal Service Administrative Company (USAC) received and reviewed the FCC Form 460 submitted by the Health Care Provider (HCP) referenced above. An HCP must meet two criteria in order to be eligible to participate in the RHC Healthcare Connect Fund program:

1. The HCP must be a public or non-profit health care provider (see 47 C.F.R. § 54.601(a)).
2. The HCP must qualify as one of the following (see 47 C.F.R. § 54.600(a)):
 - Post-secondary educational institution offering health care instruction, teaching hospital, or medical school
 - Community health center or health center providing health care to migrants
 - Local health department or agency
 - Community mental health center
 - Not-for-profit hospital
 - Rural health clinic including mobile clinic
 - Dedicated emergency room of a for-profit hospital
 - Part-time eligible entity located in otherwise ineligible facility

An HCP that does not meet these two criteria is not eligible to participate in the RHC Healthcare Connect Fund program. Based on the information provided on the submitted FCC Form 460, RHC has determined that the HCP referenced above is not eligible to participate because the HCP has been identified as:

A for-profit HCP
 An ineligible HCP type

If you wish to appeal this decision, you may file an appeal with USAC, or directly to the FCC.

The appeal **must be filed within 60 days of the date of this letter**. Detailed instructions for filing appeals are available at: <http://www.usac.org/rhc/about/program-integrity/appeals.aspx?pgm=telecom>
