Mrs. McArthur,

As requested by Single Path, LLC, your current Internet service provider, we have completed an independent pricing analysis for the cost for a 100Mbps Internet Access fiber connection to the following address:

13801 Chatham St
Blue Island, IL 60406

	Service Provider 1	Service Provider 2	Service Provider 3
Service Provider:	XO Communications	Windstream Communications	Level 3
Monthly Rate:	\$1793.00	\$1749	\$2083.64

Please note that the above monthly rates do not include onetime fees for any necessary fiber build out cost. Those fees would be either a onetime charge paid up front or rolled into your monthly rate and not calculated until a signed contract for service was in place.

Also note, these are current market rates and the cost for a similar service 2 years ago would have at least 15%-25% higher.

Our firm represents over 40+ service providers and is contracted by our clients to find the best available service provider at a cost effective rate that aligns with our clients' long-term needs. For additional information about our company and service offerings, please visit us online at www.x4solutions.com.

Sincerely,

Todd Thomas
