ORDER

On October 1, 1997, Hiawatha Telephone Company (Hiawatha) filed an application in Case No. U-11548 for designation as an eligible telecommunications carrier (ETC) for purposes of universal service fund support. On November 25, 1997, the Commission issued an order approving Hiawatha's application as an ETC in its study area.

On November 6, 2014, Hiawatha filed an application pursuant to section 214(e)(2) of the federal Communications Act of 1934, 47 USC 214(e)(2), requesting ETC designation in the Brimley exchange, which is currently served by Chippewa County Telephone Company (Chippewa). Hiawatha is currently an ETC in the Munising, Seney, Eckerman, Paradise, Hulbert, Shingleton, Deer Park, Hiawatha Forest, and Grand Marais exchanges. The application states that Hiawatha plans to merge with Chippewa, with Hiawatha being the surviving entity. On October 7, 2014, in Case No. U-17706, Hiawatha was granted a temporary license to service the Brimley

exchange. On November 24, 2014, concurrent with this order, Hiawatha is granted a permanent license.

After reviewing Hiawatha's application, the Commission finds that the request to expand the study area should be granted. All other aspects of the November 25, 1997 order remain in effect.

THEREFORE, IT IS ORDERED that the application filed by Hiawatha Telephone Company to include the Brimley exchange in its eligible telecommunications carrier designated service area is granted.

The Commission reserves jurisdiction and may issue further orders as necessary.

Any party aggrieved by this order may file an action in the appropriate federal District Court pursuant to 28 USC 1331.
