Dear Chairman Wheeler,
Please make sure to protect the country by keeping the Internet FREE and OPEN!
Protect and defend the rights of ALL citizens of this country NOT the rights and PROFITS of the internet providers. The Internet, as President Obama has said, is now at the point where it is a public necessity and should be considered as such like railroads and power ...PLEASE you have the historic responsibility in our history of either SAVING or DESTROYING the internet,\

KEEP THE INTERNET FREE AND OPEN -APPROVE NET NEUTRALITY !

thank you
respectfully ,
Cheryl Piperberg
