

60001007993.txt

If you let this happen there is no doubt that you are completely bought off as it takes only the tiniest speck of common sense to realize that this is becoming a completely tyrannical and monopolized market. These companies are snakes that leech every possible penny they can out of every citizen and they do it in ways that should obviously be illegal. Please, for the love of God, for once, someone show these fat bastards who's in charge.
