My family is continuously harrasing me (physically and mentally) from past 15 years with the help of paid badmash and they also use spirits (aatma/jinn or some other means) which are invisible that they have learned through a guru in chandni chowk, delhi.

They have beaten me to almost death 5 years back and there is a constant fear in my mind.

They keep watch on all my activities and want to take control of my life.

Their names are Anil Kumar Sharma, Lalit Kishore Sharma, Naresh Kumari Sharma,

Neeraj Sharma, Jagdish Rai Sharma, Lakhinder Singh, Naresh Gaur, Saket Kumar,

Ranjeet Das, Rami nder Singh Cheema, Manish Gupta, Puneet Jain, Jitender Pal Singh

and many more involved with them in hidden ways,

How should I report immense harrassment being done to me from last 15 yrs and I have no proof?
