Re: Notice of Ex Parte Presentation, RM-11738.

Dear Ms. Dortch:

On December 10, 2014, pursuant to Section 1.1206 of the Commission's Rules and in connection with the above-referenced proceeding, the undersigned from the Utilities Telecom Council (UTC) met with the following Federal Communications Commission representatives: John Liebovitz, Brian Regan, Stana Kimball, Wayne Leighton and Scot Stone, as well as Roger Noel (via teleconference) and Mel Spann (via teleconference).

The purpose of the meeting was to explain UTC's position relative to the petition for rulemaking that was filed by the Enterprise Wireless Alliance and Pacific DataVision, Inc. UTC explained that discussions were ongoing between the petitioners and UTC and its members, and that UTC had taken no official position at this time, either in opposition or in support. UTC also reported that it has formed a working group of its members to focus on the issues associated with the petition.

Thank you for your help in this matter. If there are any questions concerning this matter, please let me know.

Respectfully,
