I cannot fathom why, even at 1:30 am, comedy central (the channel on television), has, first off, Tosh.0 on, as he speaks racially, sexually, violently, and abusively, and so, so inappropriately(to say the least). All around absurd and, for lack of need for better explanation, stupid as f***!! Know, I kept that one clean! I'm not sure how brief I can keep this. Anyway, then, as Tosh.0 and his vulgarness, and assuming, vulgar crew, need a break, a commercial comes on for some hard up motherf***ers, who, might need a number to call. Sexy girls of course, exploited and paraded, but, that's not all... the girls claim publicly(on air) that they are 18 and big girls, so call them! The number is something like 976(you don't say) we are 18. Seriously!!?? People better care about this nonsense and abuse!! Think about it...your daughter, your mother, your sister, niece, cousin, wife, GRANDDAUGHTER!!!! Fix this mess quickly!! Please, care about these girls and this nasty, despicable, preventable, disgrace!! As for Tosh.0, thanks, bye, your work here needs to be done!!
