Control of Licenses and Authorizations, MB Docket No. 14-57**

Dear Ms. Dortch:

Please be advised that Roku, Inc. ("Roku") and Comcast Cable Communications, LLC ("Comcast") have been in negotiations for several months regarding a number of issues. Roku is pleased to inform the Commission that effective November 25, 2014, Roku and Comcast entered into an agreement pursuant to which Comcast has, among other things, agreed to authenticate the HBO GO and Showtime Anytime apps on Roku video streaming devices for Comcast's subscribers whose subscriptions entitle them to access the content and services made available through such apps.

Pursuant to Section 1.1206(b)(2) of the Commission's rules, please associate this letter with the above-referenced dockets.

Sincerely,

/s/ Jonathan Kanter
