**MOTION TO WITHDRAW REQUEST FOR WAIVER**

Buckeye Cablevision, Inc. (“Buckeye”), by its undersigned attorney, hereby files this Motion to Withdraw its Request for Waiver filed in the above-captioned docket. Buckeye had sought a limited waiver of the Commission’s integration ban in 47 C.F.R. § 76.1204(a)(1) for the purpose of deploying an innovative set-top box combining in one device a unidirectional QAM digital terminal adaptor and an Internet Protocol video interface. The pleading cycle on this request closed on April 7, 2014. Thereafter, Buckeye found the need to push back its anticipated deployment schedule for hybrid boxes to mid-2015. Most recently, Congress repealed the integration ban in the STELA Reauthorization Act of 2014, H.R. 5728, 113<sup>th</sup> Cong., § 106 (2014) signed into law by President Obama on Dec. 4, 2014, effective 1 year after the date of enactment.

Given the deployment delay and imminent repeal of the integration ban, Petitioner now moves the Commission to permit withdrawal of the request for limited waiver as moot.
