Re: Applications of Comcast Corp., Time Warner Cable Inc., Charter Communications, Inc., and Spinco To Assign and Transfer of Control of Licenses and Authorizations, MB Docket No. 14-57

Dear Ms. Dortch:

On December 17, 2014, a response to Applicants' Opposition to Petitions to Deny was filed on behalf of Consumers Union and Common Cause on the above matter. It inadvertently failed to include as an attachment a certificate of service confirming that the filing was sent via e-mail to the appropriate parties. The only change is to include the attached erratum to the original filing. The corrected version is attached and replaces, in its entirety, the version that was filed previously.

Please do not hesitate to contact me if you have any questions.

Sincerely,

/s/ Delara Derakhshani
