RE: Wireless E9-1-1 Location Accuracy Requirements, PS Docket No. 07-114

Dear Ms. Dortch:

I write to express my support for the location accuracy agreement recently concluded between NENA, APCO, and the 4 national wireless carriers.

I am a member of both NENA and APCO, and serve as an Executive Board Member for the NYS Chapter of NENA. I am proud of the work done by both of these entities and feel strongly that they represent a large base of the 9-1-1 and Public Safety entities in this country. Certainly, their efforts in improving Wireless E9-1-1 are in the best interests of the Public Safety Industry as a whole.

I have read the NENA/APCO road map and whole heartedly endorse the effort. I strongly encourage the FCC to work within the framework of this agreement to improve Wireless E9-1-1 Location Accuracy Requirements.

Sincerely,

Michael P. Tersmette
New York State Police (ret.)
NYS NENA Chapter Treasurer
