Re: WC Docket No. 12-375
Electronic Comment Filing System

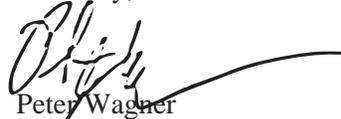

Dear Ms. Dortch:

Last night, the Prison Policy Initiative experienced serious difficulties in uploading documents to the FCC's Electronic Comment Filing System. The website would repeatedly time out, making it impossible to upload documents. The problem seemed to get even worse when we attempted to upload multiple files.

For that reason, our video visitation report was submitted about 15 minutes after the close of the comment period, and we were unable to upload the evidentiary exhibits cited in many of our comments.

Our video visitation exhibits will shortly be available at <http://www.prisonpolicy.org/visitation/> and all other exhibits cited in our comments are available at http://www.prisonpolicy.org/phones/letters_with_exhibits.html.

Sincerely,

Peter Wagner

Executive Director
