**Re: Permitted Oral *Ex Parte* Notice  
Wireless E911 Location Accuracy Requirements  
PS Docket No. 07-114**

Dear Ms. Dortch:

On January 15, 2015, Commissioner Mignon Clyburn and her legal advisor, Louis Peraertz, participated in a demonstration of NextNav's indoor location technology, which was held at Tysons Corner Center, located at 1961 Chain Bridge Rd, McLean, VA 22102. Escorting the Commission officials during the demonstration were Gary Parsons, CEO of NextNav; Ganesh Pattabiraman, President and Co-Founder of NextNav; and Bruce Cox, Senior Director, Regulatory & Public Safety, and the undersigned.

During the demonstration, the NextNav representatives discussed their views on the draft wireless location order that is on circulation within the Commission. The substance of these discussions is detailed in an *ex parte* notice that NextNav filed on January 14, 2015 addressing a meeting with the staff of the Public Safety and Homeland Security Bureau.

Please contact the undersigned if you have any questions.

Sincerely,  
  
Bruce A. Olcott
